Our web site is accessed by some 200 Maine municipal managers on a frequent basis. These decision-makers are always in the market for consultants, attorneys, engineers, auditors, equipment providers, and the like.

For just \$200 per year, your firm can have a meaningful presence on the MTCMA web page. The subscription runs from July 1 to June 30 each year and can be pro-rated to as little as six months to start (\$100).

On our main page will be a special graphic directing viewers to a Vendor's Page. Our advertisers' logos / business cards will appear on that Vendor's Page in a categorized format, so that managers can find these resources easily when preparing a bid or an RFP / RFQ.
